Distance Learning Course Information

MARSS00008 Shipboard Safety Skill Set

NATIONALLY RECOGNISED TRAINING

Unit Code	Unit of Competency	
MARF001	Apply basic survival skills in the event of vessel abandonment	
MARF002	Follow procedures to minimise and fight fires on board a vessel	
MARF004	Meet work health and safety requirements	
MARF005	Survive at sea using survival craft	
Total Cost		**$750.00**

Description

These Four (4) units of competency are required for all Near Coastal Qualifications

This skill set reflects the work required by people who need to complete the Shipboard Safety units of competency.

Entry Requirements

No Specific entry requirements are stated in the Training Package as required for this course.

However, as a safety consideration, QMTS requires all students to be physically fit to carry out all the roles and responsibilities of a deckhand on a Domestic Commercial Vessel.

Students **must** be able to swim (any stroke) a minimum of 50 metres fully clothed.

Admission Requirements

Language, Literacy, and Numeracy

It is a requirement of this course that all enrolling students undertake a language, numeracy and literacy assessment.

Age restrictions

QMTS will accept enrolments from students before their 16th birthday provided they meet all other Admission Requirements.

Note: applicants must be 16 years of age or above to be issued with a Certificate of Competence under the National Standards for Commercial Vessels – Part D – Certificates of Competency by AMSA (Refer AMSA Guidance Notice)

Classroom Location

The **QMTS Training Centre** is located at the **Royal Queensland Yacht Squadron** in Manly, Brisbane

Study Mode

These units are delivered as a full time **three** day training program, conducted in the QMTS classroom and at off-site training facilities (pool).

Assessment Procedures

A combination of practical and written examinations will be undertaken.
