

Face-to-Face Course Information

MAR40618 Certificate IV in Maritime Operations (Master up to 35 Metres Near Coastal)

NATIONALLY RECOGNISED
TRAINING

Description:

This qualification is suitable for those sailing as Master on vessels up to 35 metres in length within the exclusive economic zone (EEZ) or a Mate on vessels up to 80 metres in length.

Licensing/Regulatory Information:

This level of qualification is currently cited as meeting some of the requirements for certification as a Master up to 35 metres Near Coastal as defined by the National Standard for Commercial Vessels (NSCV) Part D. Certification as a Master less than 35 metres Near Coastal (as defined by the NSCV Part D) will require achievement of the MAR40613 Certificate IV in Maritime Operations (Master up to 35 metres Near Coastal), certification as a Master less than 24 metres Near Coastal, an appropriate radio certificate of proficiency, AMSA final assessment and an AMSA approved first aid certificate; people seeking certification should check with the Australian Maritime Safety Authority (AMSA). This level of qualification is also currently cited as meeting some of the requirements for certification as a Mate less than 80 metres Near Coastal as defined by the NSCV Part D. Certification as a Mate less than 80 metres Near Coastal will require achievement of the MAR40613 Certificate IV in Maritime Operations (Master up to 35 metres Near Coastal), qualifying sea service and completed AMSA approved task book or qualifying sea service, an appropriate radio certificate of proficiency, AMSA final assessment and an AMSA approved first aid certificate; people seeking certification should check with AMSA.

Units of Competencies:

Unit Code	Unit of Competency
MARA003	Manage loading, discharging and stowage of cargo
MARA004	Manage vessel stability
MARB030	Slip or dock a vessel and maintain hull on a vessel up to 80 metres
MARB010	Plan and supervise routine maintenance on a vessel up to 80 metres
MARC011	Manage a propulsion unit using appropriate engine systems and support services
MARC012	Monitor and manage vessel operations
MARC014	Operate deck machinery and steering gear on a vessel up to 80 metres
MARF027	Apply basic survival skills in the event of vessel abandonment
MARF028	Follow procedures to minimise and fight fires on board a vessel

MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft
MARF010	Work safely in confined spaces on a vessel
MARG002	Manage a small crew
MARH015	Manage and maintain a navigational watch on board vessels up to 80 metres
MARH016	Plan and navigate a passage for a vessel up to 80 metres
MARH017	Use wheelhouse equipment for safe navigation
MARH006	Forecast weather and oceanographic conditions
MARI004	Observe regulations to ensure safe operation of a vessel up to 80 metres
MARJ007	Monitor environmental management on a vessel
MARK003	Manoeuvre a vessel up to 80 metres
MARN004	Manage seaworthiness of a vessel up to 80 metres

Course Outcome:

MAR40618 Certificate IV in Maritime Operations (Master up to 35 Metres Near Coastal)

Careers & Pathways:

In Queensland, the industry has identified vocational outcomes and/or areas of local demand in transport, construction, shipping and tourism sectors along the east coast.

Employment Pathway:

Operate a commercial vessel up to 35m within 200nm of the coastline.

Entry Requirements:

A general command of spoken and written English, as well as the ability to write a simple report is required.

As a safety consideration, QMTS recommends all students be physically fit to carry out all the roles and responsibilities of a Master on a commercial vessel up to 35m within 200nm of the coastline as described under the National Standards for Commercial Vessels – Part D.

Students should also be able to swim (any stroke) a minimum of 50 metres fully clothed.

Duration:

Face-to-Face: 35 days

Workplace Component: *180 days (Sea Service).

***Students who have already completed the necessary Sea Service will not be required to undertake the Workplace Component.**

Admission Requirements:

Language, Literacy, and Numeracy

It is a requirement of this course that all enrolling students undertake a language, literacy and numeracy assessment.

Technology

As some of the resources are contained in a dedicated learner portal, a student must have access to a computer (with Microsoft Office software).

Free Wi-Fi is available during training.

As students will undertake training in the use of the QMTS student portal they will require basic computer skills to complete the course without disadvantage.

Enrolment Documentation

When enrolling into a QMTS course it is a requirement that all enrolment documentation is received before enrolment confirmation can occur. The required documents and information are listed below:

- Pre-Enrolment Form (Personal Details)
- Client Enrolment Form
- Language, Literacy and Numeracy Assessment
- Enrolment/Induction Checklist
- Copy of Driver's Licence (front and back) or Passport

Please also note that Students will be required to provide QMTS with their Unique Student Identifier (USI) before enrolment can be completed.

Method of Delivery

The units of the MAR40618 Certificate IV in Maritime Operations (Master up to 35 Metres Near Coastal) are delivered in a **35-day** face-to-face program and **180 days** of work placement (Sea Service Time). If required a Task Book will be provided upon enrolment. Students will have 12 months (if required) to complete all theory and practical components of their program. The final practical assessment will not be undertaken prior to the completion of work placement or validation of necessary Sea Service.

Many students undertaking this course have already completed the below four units as part of another Maritime qualification or as part of the MARSS00008 Shipboard Safety Skill Set.

- MARF027 Apply basic survival skills in the event of vessel abandonment
- MARF028 Follow procedures to minimise and fight fires on board a vessel
- MARF029 Meet work health and safety requirements
- MARF030 Survive at sea using survival craft

As these units form part of this course, students who have completed them, will be not be required to attend on the days these units are being delivered (**3-day duration**).

The delivery of this qualification will be in a face-to-face classroom environment and includes:

- Face-to-face theory training and workshops
- Comprehensive practical training
- A Task Book completed by the student and authenticated by QMTS

Course Fees

Full Fee: \$5100.00

- A reduction in the course cost may apply for students who have successfully completed MARSS00008 - Shipboard Safety Skill Set and/or other credits relevant to this qualification.

Assessment Procedures:

Assessment for this qualification is as follows:

- Assignments (completed each evening after training at home)
- Assessments (completed at the end of each week during assessment and study time)
- Practical Tasks (assessed throughout the program)

Practical Assessment:

Prior to attending a practical assessment

- Students must complete all the theory assessments.
- Students must provide a completed task book and/or appropriate sea service.
- Students will be allowed 3 attempts, if required, for all practical tasks.

Location:

QMTS Training Centres are located at:

- Royal Queensland Yacht Squadron
578 Royal Esplanade
Manly

Recognition Processes:

Learners are able to have their competency from prior learning and work experience recognised in this qualification through the following arrangements:

Recognition of Prior Learning (RPL)

RPL is recognition of prior learning or skills obtained from previous study or work/life experience.

Learners, who through prior learning or experience believe they have gained competence in any of the skill areas, may be granted RPL upon substantiation of that claim. QMTS offers RPL on enrolment and the trainer will work with the student to define the potential for a successful application process.

NB: RPL does not give the student a discount in course fees.

Credit Transfer

Students may also apply for a credit transfer upon enrolment.

Learners who have evidence in the form of AQF certification from any other RTO or authenticated VET transcripts issued by the Registrar or from an AQF authorised issuing authority for units of competency relevant to this qualification will be given credit upon enrolment.

For more information about QMTS Recognition Process please refer to the Client Handbook or Phone QMTS on 0498 489 405.

Other Information:

You will need your own laptop or iPad with Microsoft Office software loaded onto it to access course resources (wireless internet is available in all classrooms at no cost). In addition, students will be required to possess Navigational instruments for chart work,

including a Chart Plotter, Parallel Ruler, Bow Divider, Calculator, 2B pencils, Eraser, Compass and Protractor.

The following text is recommended as optional reading:

- Australian Boating Manual by Cpt Dick Gandy (Available from the QMTS Bookshop – Cost \$100.00)

Some Items may be purchased from the QMTS Book Shop

Additional costs may be incurred for the following:

1. Private Practical Assessment Session

Students who require a private practical assessment session outside the sessions provided in the course structure will be required to pay the following additional costs:

- Boat Charter (This will vary depending on the level of certification required) eg 10m Vessel \$100.00 per hour, 14m Vessel \$150 per hour
 - Fuel @ approximately \$42.50 per hour
 - Assessor's Fee (currently \$120 per hour)
 - Any other out of pocket expenses incurred in the running of the assessment
2. If you are deemed to be **Not Competent** in a unit (after three theory or three practical assessment attempts or due to disciplinary action) you will have to re-enrol in that unit and pay the unit enrolment fee.

There will be no additional cost for the following:

1. The re-issue of lost or replacement certificates or statements of attainment.
2. The re-assessment for the first two attempts after the initial assessment of a theory assessment. A student will receive **three attempts** at a Practical Assessment at no charge except in circumstances as described above where a student is unable to access a scheduled group practical assessment or where a student requires or requests a private practical assessment. In such cases the above Private Practical Assessment Session fees apply. As stated above additional fees will occur if after three (3) Theory Assessment attempts or three (3) Practical Assessment attempts the student has still not gained a Satisfactory result.
3. Training is available to all students in the use of the QMTS on-line training and assessment systems at no extra cost. A link to the Getting Started help page will be included in your enrolment confirmation email as well as in your resources on your Student Portal.

Complaints and Appeals:

Should you at any time wish to lodge a complaint, you can do so by contacting your trainer or the Chief Executive Officer of QMTS on Ph: 0498 489 405. Please refer to the QMTS website or Client Handbook for further information on our Complaints and Appeals Processes.

Quality and Compliance:

Queensland Marine Training Services is the RTO responsible for the quality and compliance of the nationally recognised training being delivered and is also the RTO that will issue any qualification or statement of attainment certificate to eligible learners.
