

Face-to-Face Course Information

MARSS00008 Shipboard Safety Skill Set

Unit Code	Unit of Competency
MARF027	Apply basic survival skills in the event of vessel abandonment
MARF028	Follow procedures to minimise and fight fires on board a vessel
MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft
Total Cost	\$500.00

Description

This skill set reflects the work required by people who need to complete the Shipboard Safety units of competency.

Entry Requirements

No Specific entry requirements are stated in the Training Package as required for this course.

However, as a safety consideration, QMTS requires all students to be physically fit to carry out all the roles and responsibilities of a deckhand on a Domestic Commercial Vessel.

Students **should** be able to swim (any stroke) a minimum of 50 metres fully clothed.

Admission Requirements

Language, Literacy, and Numeracy

It is a requirement of this course that all enrolling students undertake a language, numeracy and literacy assessment.

Age restrictions

QMTS will accept enrolments from students before their 16th birthday provided they meet all other Admission Requirements.

Note: applicants must be 16 years of age or above to be issued with a Certificate of Competence under the National Standards for Commercial Vessels – Part D – Certificates of Competency by AMSA (Refer AMSA Guidance Notice)

Study Mode

These units are delivered as a full time **three** day training program, conducted in the QMTS classroom and at off-site training facilities (pool).

Assessment Procedures

A combination of practical and written examinations will be undertaken. All theory examinations will be conducted online and will require a laptop/tablet to be brought to class each day.

Quality and Compliance

Queensland Marine Training Services is the RTO responsible for the quality and compliance of the nationally recognised training being delivered and is also the RTO that will issue any qualification or statement of attainment certificate to eligible learners.

Other Information

You will need your own laptop or iPad with Microsoft Office software loaded onto it to access course assessments. This will need to be brought into class each day. Wireless internet is available in all classrooms at no cost.
